STATEMENT OF SUBSTANCE OF INTERVIEW

Sir:

This Statement is being filed in response to the Examiner's request therefor in the Interview Summary mailed on October 12, 2005 in the above-identified application (November 12, 2005 being a Saturday). The Examiner's Interview Summary follows an interview between the Examiner and Applicant's undersigned attorney on October 3, 2005.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first-class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on

The Continuation Sheet attached to the Interview Summary contains a number of changes to the claims (which the Examiner lists as items a through m). While the undersigned attorney recalls authorizing the Examiner to make the changes listed in item a, and in items h through m, he does not recall authorizing the changes listed in items b through g (that is, to define N as being equal to 1 in dependent Claims 2-4 and 8-10). Accordingly, Applicant may file an Amendment After Allowance under 37 C.F.R. § 1.312 to remove the language inserted by the Examiner in items b through g.

Further, in view of the fact that the Examiner's Interview Summary required this paper to be submitted, Applicant considers it improper for the U.S. Patent and Trademark Office to reduce, on the basis of this paper, the Patent Term Adjustment granted to this application.

Applicant's undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
